

# NEW EQUIPMENT ALL-TERRAIN VEHICLE

Sub-Working Group on Major Equipment

## LIST OF ISSUE PAPERS

Secretariat - #38 Introduction of all-terrain vehicle heavy to the COE manual

## FOCAL POINTS

Norway

## SUMMARY OF PROPOSAL

Based on trials in UNMISS there is a need for a light unarmed patrol vehicle, with the ability to maneuver over boggy ground and in swamps.

The Sub-working group on major equipment has discussed the Secretariat issue paper regarding introduction of a new vehicle including detailed descriptions of the vehicle's capability.

## PROPOSED TEXT FOR 2023 COE MANUAL

COE Manual, Chapter 3, Annex A, appendix 2, new para 8

### All-Terrain Vehicle

An All-terrain Vehicle is an unarmored vehicle capable of both road and off-road mobility allowing operability over different terrains. The vehicle has the ability to maneuver over rough ground, thick brush/vegetation, fields and through shallow water. Some All-terrain Vehicles have in addition the ability to maneuver through wetlands. All-terrain vehicles should have the capability to undertake patrols in areas typically impossible to reach with regular patrol vehicles. Keeping in view the operational environment, the vehicle may have additional fuel canisters for extended range. The All-terrain Vehicles include:

- (a) All-terrain Vehicle Light - Minimum load capacity of 200 kgs or 2 personnel.
- (b) All-terrain Vehicle Heavy - Minimum load capacity of 1000 kgs or 6 personnel.

---

Still under discussion

Agreed by the sub-working group on 25/01/2023

**ADOPTED BY WORKING GROUP ON 26/01/2023**

**LAST CHANGED 26 JANUARY 2023 AT 10:30 AM**

---

Include in Chapter 8, Annex A:

Category of Equipment	Type of equipment	Generic fair market Value	Estimated useful life in years	Maintenance Rate	Monthly Dry lease rate	Monthly Wet Lease Rate	No Fault Incident Factor (Percentage)	Painting	Re-painting
Support vehicles (Commercial pattern)	All-terrain Vehicle - <b>Light</b>	6,903	5	5	120	125	0,8	227	305
Support vehicles (Commercial pattern)	<b>All-terrain Vehicle – Heavy</b>	<b>Special case</b>
