Medical Gases – UN Responsibility

FOCAL POINTS

Norway

SUMMARY OF PROPOSAL

Medical gases are essential commodities, and their procurement is the sole responsibility of the mission, which supplies them to the TCC/PCC medical facilities.

PROPOSED TEXT FOR 2023 COE MANUAL

New text to Chapter 3, Annex C after para 20 (g):

Medical gases: Refilling of medical gases (only the medical gas and not the storage cylinder) will be provided by the United Nations according to United Nations standards.
