

KINGDOM OF MOROCCO

THE INCREASE OF THE FIRST AID KIT REIMBURSEMENT RATE

1. ISSUE PAPER THEME: Medical support

2. SUMMARY/BACKGROUND

UN component (military or police) may deploy in some high-risk areas where there great potential risk of injury. As a result, and according to the UN's recommendations, which stipulate that everyone should have a Buddy first aid kit to provide medical support quickly and efficiently.

According to the Working Group on contingent-owned Equipment's recommendations approved by the General Assembly's A/RES/74/279 20th June,2020 resolution, and According to the reference DOS/OSCM/2021/0085 08th November,2021, the first aid kits have been the subject of readjustment through inserting new items. This change had an impact on the cost value that amounted to \$331.18.

3. DETAILED PROPOSAL

It is strongly suggested to increase the first aid kit reimbursement rate, set at \$2.69 on the last 2020 COE's resolution; Chapter 3, Annex C, Appendix 1.1 (page 85 and 86), due to the first aid kit readjustment, the cost value has increased. The new proposed reimbursement rate is \$27.60.
