

KINGDOM OF MOROCCO

(TECHNICAL UPDATE) DIGITAL TRANSFORMATION AND ENVIRONMENT

1. ISSUE PAPER THEME: Other

2. SUMMARY

Given that the (COE manual 2020) should be read in parallel with other UN official documents in order to deeply understand all the COE related issues, this Manual includes some references which need to be either technically corrected or updated to reflect its coherence with other related documents. These changes are required to eliminate inconsistencies, address issues of confusion, and ensure that the COE Manual is in line with other UN documents.

3. BACKGROUND

The COE Manual does require certain updates as regard to some references, documents and doctrines especially those knowing developments in its provisions and are published officially by the UN.

4. DETAILED PROPOSAL

To update the chapter I, Paragraph 7, Page 4/271 of the COE Manual as per changes mentioned in bold red.

7. The COE Manual should be read in conjunction with other related documents such as, **but not limited to**, the United Nations Infantry Battalion Manual, United Nations Military Unit Manuals, the Medical Support Manual for United Nations Field Missions, the guidelines for troop/police contributors (which are mission-specific and issued before the deployment of troops), the Environmental Policy for United Nations Field Missions **and**, the Waste Management Policy for United Nations Field Missions, **the UN environmental management handbook (Edition 2021) and the UN Strategy of digital transformation.**
